Urgency in the Church and a Special Mission

Father Chris Alar speaks worldwide spreading the message of Divine Mercy, often to crowds of no less than 8,000. Following Father Michael Gaitley, he is now the Director of the Association of Marian Helpers, and manages the entire operation of the Nat'l Shrine of Divine Mercy in Stockbridge, MA. Groomed to be a fighter pilot, he received an appointment to the United State Air Force Academy but, a medical discharge ultimately left him angry and thinking life was over. He went on to become an industrial engineer working for a Fortune 500 company, then started his own consulting company, and was engaged to be married. But, God had another plan. Answering the Lord's call, he attended Franciscan University went on to seminary and entered the Marian Fathers of the Immaculate Conception, July 2006. www.marian.org

In her [blog](#), [books](#), [podcast](#), and [newsletter](#), she shares honestly about faith, family, and the struggles of motherhood. She is author of "You're Worth It! From Hollywood Toward Heaven

Nicole Abisinio is an actress, producer, and founder of Gabriel's Messenger Films, dedicated to making inspiring, and life changing films of true stories for worldwide distribution. She started her career in investment management while working as an actress. She's a passionate speaker who left the red carpet and hobnobbing elite nightlife with celebrities into the arms and mission of God. As He showed her how powerful the medium of film is and that what she put into the world actually can forever change a person's life, she transferred over solely to faith and family features. The doors began to open and she started to see her films changing lives and giving audiences joy and life purpose. cmgbooking.com
